

A Fresh Approach to Hiring

Where Opportunity Meets Reward

T: +1 888 631 6985 E: sales@job.com

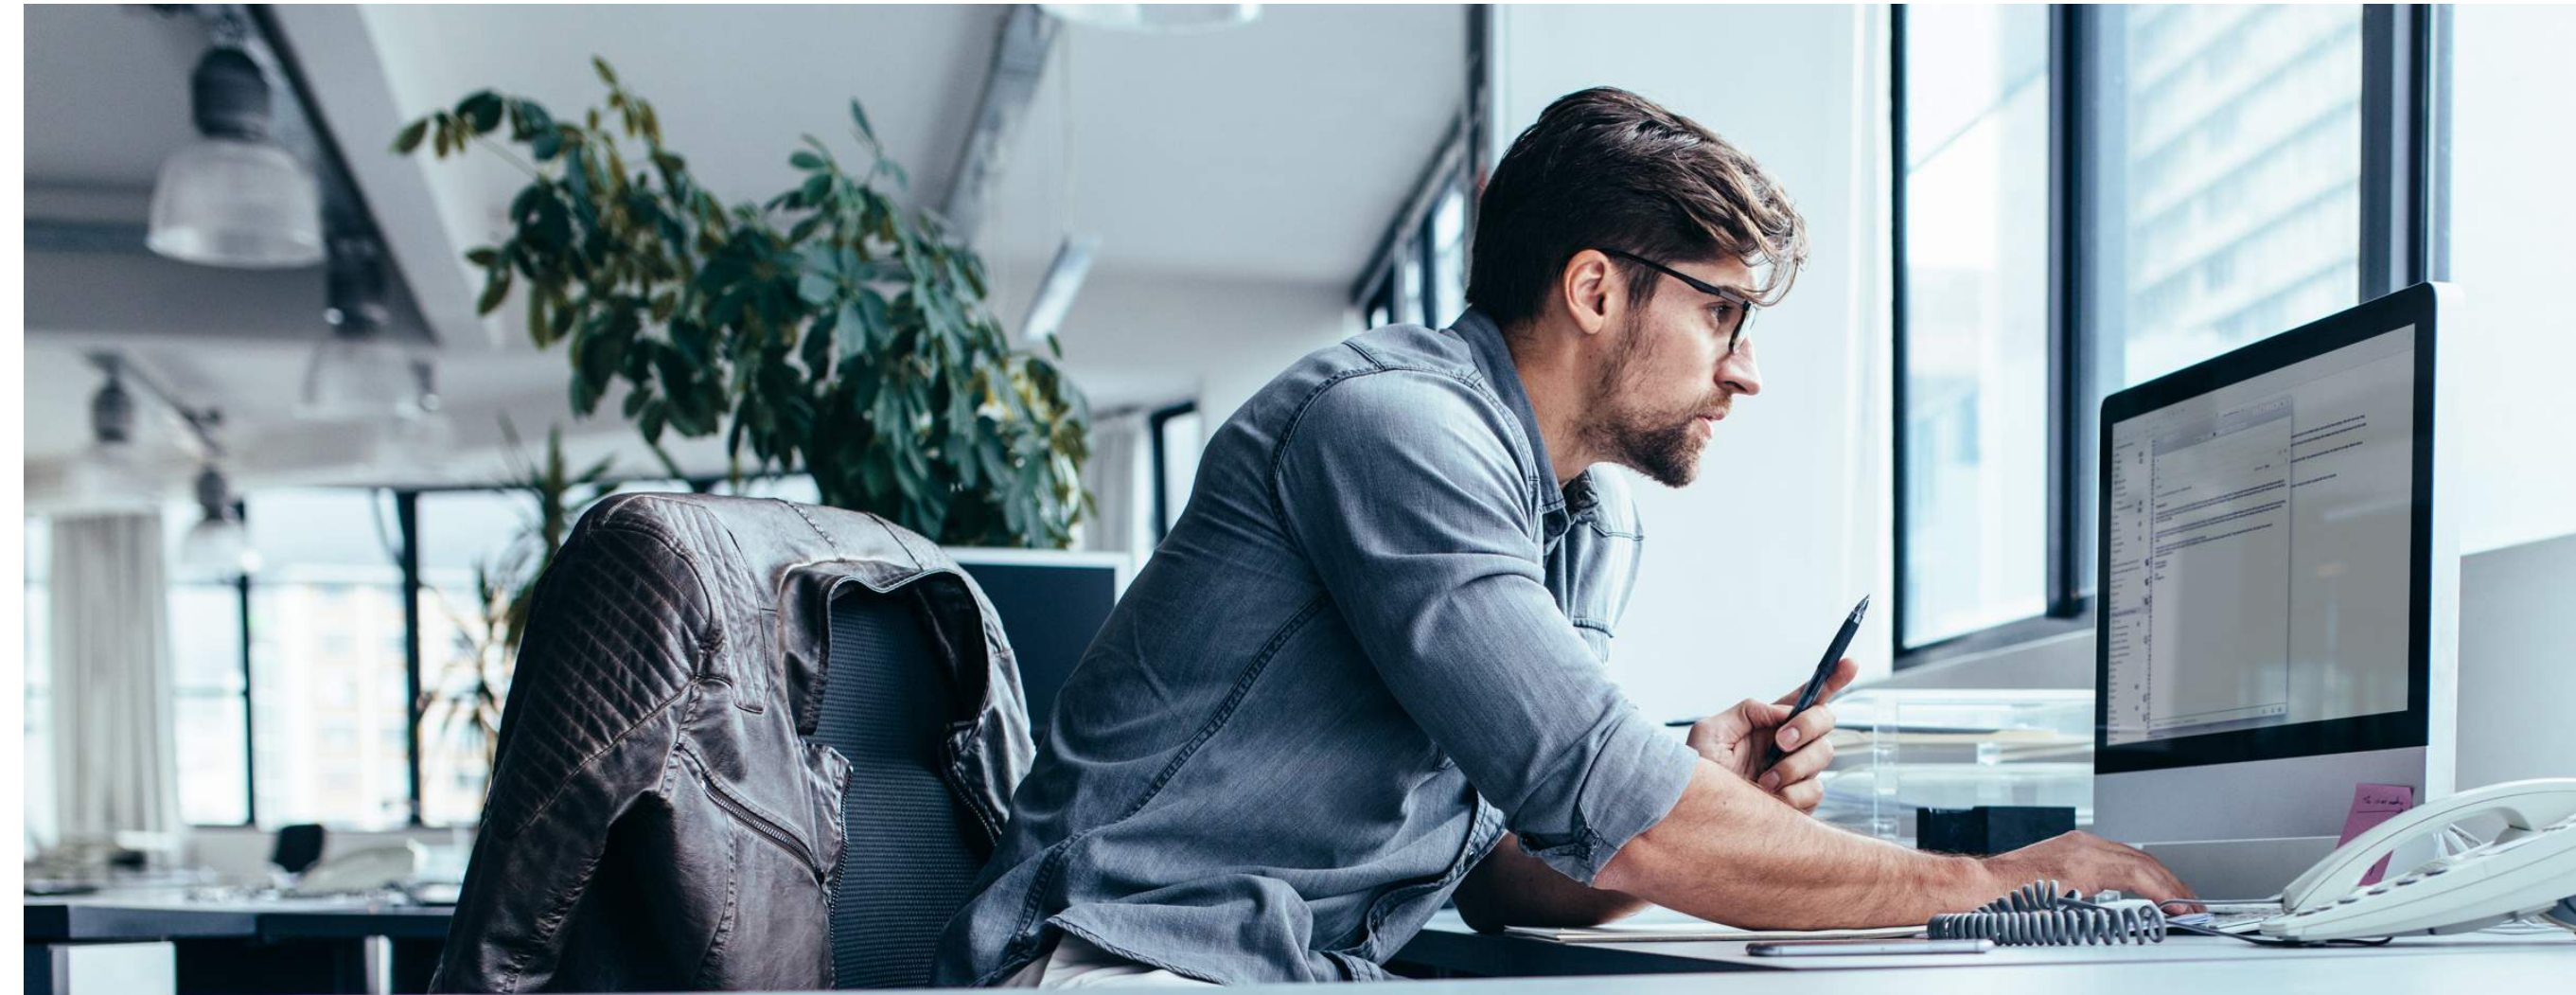

A new way to attract top talent

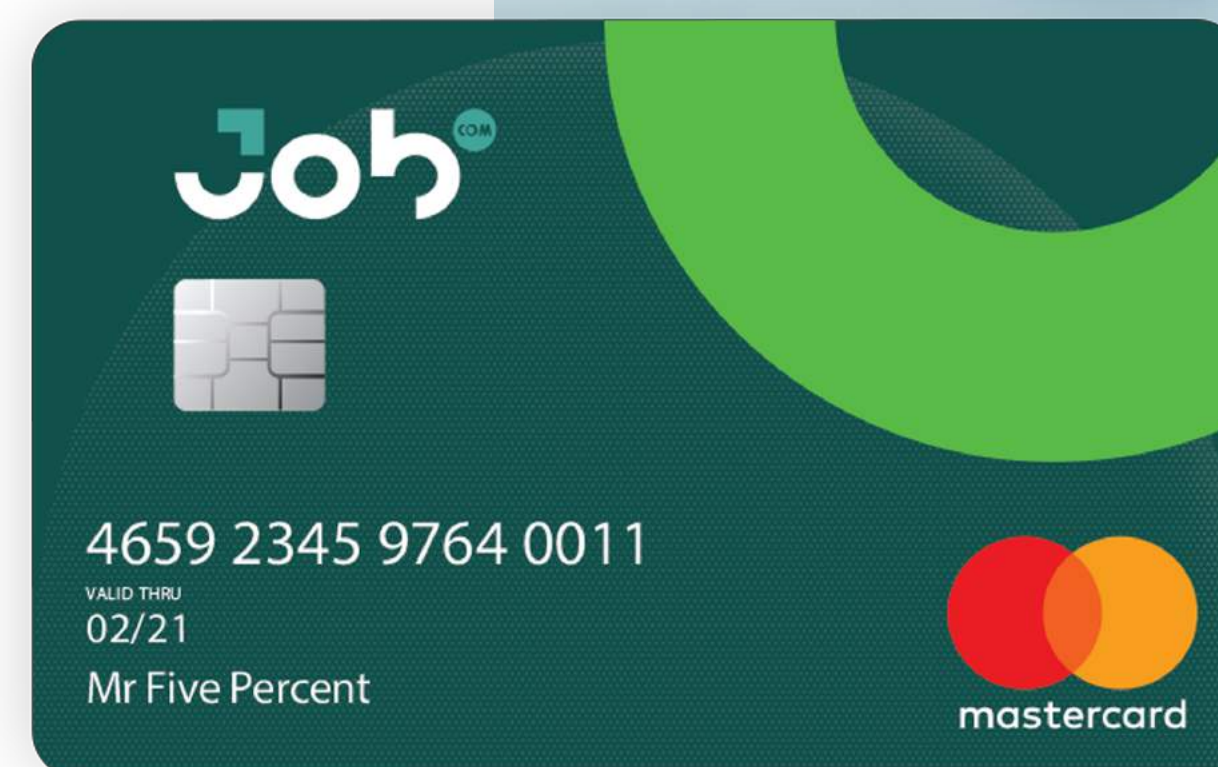

Job.com is the first hiring solution that turns recruitment fees into rewards.

Combining traditional agency services with the power of cutting edge technology to enable huge cost savings and efficiencies.

- ✓ Reducing hiring costs
- ✓ Reducing time to hire
- ✓ We take care of all candidate attraction
- ✓ Unique 5% Salary Signing Bonus for every candidate
- ✓ Strengthening your employer brand

No up-front costs,
and you only pay
a 7% fee when
you hire.

We have partnered with Mastercard and offer a unique 5% Salary Signing Bonus for every candidate who is successfully hired through Job.com

Driven by Technology

Job.com is evolving the traditional recruitment model using AI matching technology, smart contracts on the blockchain, enhanced feedback and financial rewards.

Better Value

No up-front costs, and you only pay a 7% fee when you hire. We utilize the top channels for quality hires to ensure your jobs attract the right candidates.

Better Quality

Job.com technology works to present you with the most relevant candidate applications while keeping active jobseekers alert to top opportunities.

Speed to Hire

We combine our technology with dedicated human support. This solves the breakdown in communication between candidates and employers and creates a channel for direct feedback loops.

Pairing the best candidates, with the best opportunities

Make the switch today

Our pricing means you only pay when you hire

A simple easy to use platform with a fixed 7% price.
